## Abstracts

### Summary

Strategic Defence Intelligence's 'Embraer S.A. : Aerospace and Defense - Company Profile, SWOT and Financial Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, financial analysis, mergers and acquisitions, recent developments, key employees, company locations and subsidiaries as well as competitive benchmarking data.

### Key Findings

This report is a crucial resource for industry executives and anyone looking to access key information about 'Embraer S.A.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

### Synopsis

Embraer S.A (Embraer) is a manufacturer of aircraft. The company designs, develops, manufactures and markets commercial, executive, defense and agriculture aircraft. It produces jets, executive jets in the entry-level, light, ultra-large and mid-light/mid-size categories including the Phenom 100/300 family, the Lineage 1000 and the Legacy 450/500 family. It also supplies defense aircraft to the Brazilian Air Force, and to armed

forces in the US, Latin America, Europe and Asia. Apart from these, it provides after sales support and maintenance services to customers across the world. The company also offers integrated solutions and systems for the defense and security industry. Embraer is headquartered in Sao Jose dos Campos, Brazil.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.
