Abstracts

SUMMARY

Strategic Defence Intelligence's 'Environmental Container Systems, Inc.: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Environmental Container Systems, Inc.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Environmental Container Systems, Inc. (ECS) is a manufacturer of rackmount, transit and storage cases for military and commercial markets. The company offers composite and rotationally molded cases for defense applications. The company's product portfolio comprises rackmount cases, platform cases, shipping cases, military footlocker cases, drawer cases, carbon fiber cases and custom cases. ECS offers its products under

Loadmaster brand. The company primarily offers military transit and rackmount cases to the US Department of Defense, particularly the US Navy and the US Army. It has business presence across North America, Europe, Asia and the Middle East. ECS is headquartered in Grants Pass, Oregon, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Environmental Container Systems, Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Environmental Container Systems, Inc. (ECS) is a manufacturer of rackmount, transit and storage cases for military and commercial markets. The company offers composite and rotationally molded cases for defense applications. The company's product portfolio comprises rackmount cases, platform cases, shipping cases, military footlocker cases, drawer cases, carbon fiber cases and custom cases. ECS offers its products under Loadmaster brand. The company primarily offers military transit and rackmount cases to

the US Department of Defense, particularly the US Navy and the US Army. It has business presence across North America, Europe, Asia and the Middle East. ECS is headquartered in Grants Pass, Oregon, the US.

Contents

1 ENVIRONMENTAL CONTAINER SYSTEMS, INC. - KEY EMPLOYEES

2 ENVIRONMENTAL CONTAINER SYSTEMS, INC. - MAJOR PRODUCTS AND SERVICES

3 ENVIRONMENTAL CONTAINER SYSTEMS, INC. - HISTORY

4 ENVIRONMENTAL CONTAINER SYSTEMS, INC. - LOCATIONS AND SUBSIDIARIES
