Highlights

EnviTec Biogas AG (EnviTec) is an alternative energy company that covers the entire value chain for the production of biogas, including the planning and turnkey construction of biogas plants and upgradation of biogas plants and their commissioning. The company also constructs biomethane plants and it generates electricity, heat, and gas from renewable energy materials such as animal manures and waste materials from food. EnviTec operates its own plants through cooperation agreements with farmers, local authorities, investment companies, industrial corporations and energy utilities. It also provides insurance and support services for biogas plants. The company serves farmers, industrial enterprises and investors across Germany, Czech Republic, Italy, and various other countries. EnviTec is headquartered in Lohne, Nordrhein-Westfalen, Germany.
