- Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

### Highlights

Eskom Holdings SOC Ltd (Eskom) is a state-owned power utility that generates, transmits and distributes electricity. It generates electricity from coal-fired, gas-fired, hydro and pumped storage power plants, and nuclear power plants, among others. The company supplies electricity to industrial, mining, commercial, agricultural and residential customers, and to municipalities and metros for redistribution to households and businesses. The company procures electricity and sells it in countries of the Southern African Development Community (SADC). It operates in Uganda and in all the regions in South Africa. Eskom is headquartered in Sandton, South Africa.
