Highlights

European Investment Bank (EIB) is a development bank that offers lending, advisory, and additional investment sources for sustainable investment projects in the EU and abroad. It is a financially autonomous institution, which raises funds through issuing bonds on international capital markets. It provides project loans, intermediate loans, venture debts, microfinance, venture capital, and equity and fund investments. Its advisory services include governance and funding of research and innovation projects, public-private partnership support, assistance to support European projects, technical assistance on energy and transport projects, and advise on municipal and infrastructure projects. EIB also offers additional investment sources including guarantee instruments, senior loans, project-related derivatives, project bonds, trust funds, equity investments, and tailored instruments for energy and transport projects. The bank has operations in the EU, Asia, Latin America, Africa, and the Caribbean and Pacific countries. EIB is headquartered in Luxembourg.
