### Highlights

Federal Electricity & Water Authority (FEWA) owned by Ministry of Electricity and Water, is an energy utility that produces electricity and distillates sea water. It generates electricity from natural gas; and distillates water in multiple effect distillation (MED) and reverse osmosis (RO) plants. The authority provides application services for electrical connection service, water connection services, approval of electrical technical drawings, land clearance certificate for electricity and water, approval of water technical drawings, activation of service for new consumer and reconnection of service after disconnection. It also offers payment services and electricity and water emergency services. FEWA comprises various customer services including bill enquiry; eservices; know your bill; and bill payment through kiosk machines, banks, emirates post, Al-Ansari exchange, and its offices. The authority also offers procurement services through tenders, auctions, invitations, material pre-qualifications and registration forms. It serves residential, agricultural, commercial, industrial, government, and temporary connections in Northern Emirates. FEWA is headquartered in Dubai, the UAE.
