## Highlights

Financial Industry Regulatory Authority Inc (FINRA) is an independent not-for-profit organization regulator for all securities firms operating a business in the US. It oversees the US brokerage firms, branch offices, and registered securities representatives. It writes and enforces rules governing the activities of brokerage firms; examines firms for compliance with those rules; fosters market transparency; and educates investors. The authority provides registration, dispute resolution, federal securities and market surveillance services. It protects investors and provides the principles of saving and investing. The authority operates through offices across the US. FINRA is headquartered in Washington DC, the US.
