Highlights

Florida Power & Light Co (FPL), a subsidiary of NextEra Energy Inc, is an electric utility company, which generates, transmits, distributes and sells electricity and also carries out the purchase and sale of wholesale energy commodities. It produces electricity from oil, natural gas, coal, nuclear and solar sources and also purchases power from non-utility generators and other utilities through long-term power purchase agreements. It supplies electricity to residential, commercial, industrial and wholesale customers. The company has franchise agreements to supply electricity to various municipalities and counties in Florida. It supplies electricity to major parts of the east and lower west coast regions of Florida. FPL is headquartered in Juno Beach, Florida, the US.

Florida Power & Light Co Key Recent Developments

Oct 26,2021: PSC unanimously approves FPL's four-year rate settlement agreement, keeping bills low and accelerating U.S.'s largest solar buildout

Aug 12,2021: FPL installs first battery modules for world's largest solar-powered battery, which is now 75% complete

Aug 10,2021: FPL reaches comprehensive four-year rate settlement agreement, keeping bills low and accelerating the nation's largest solar buildout

Jun 22,2021: FPL installs first battery components at world's largest solar-powered battery storage facility

Jun 16,2021: FPL begins demolishing its last coal-fired power plant while advancing zero-emissions energy facilities in Florida
