Highlights

Indiana Municipal Power Agency (IMPA) is a non-profit wholesale electric power provider, which serves cities and towns across Indiana and Ohio. The agency specializes in financing , developing, owning, and operating electric generation and transmission facilities. Its power portfolio includes a combination of owned generating capacity and purchased power, including coal, natural gas, wind, nuclear and solar sources. The member utilities purchase power from IMPA and deliver to the residents and companies in their service territories. The agency also provides services such as engineering, project management, rate design, management consulting and retail customer service to member utilities. IMPA is headquartered in Carmel, Indiana, the US.
