## Highlights

Infineon Technologies AG (Infineon) is a provider of semiconductor solutions. The company, through its subsidiaries, designs, develops, manufactures, and markets application-specific ICs, automotive system ICs, diodes, evaluation boards, electrostatic discharge protection and electromagnetic interference protection products. It offers micro controllers, radio frequency and wireless controls, security ICs, smart card ICs, sensors, interfaces, and transistor products. The company caters to automotive, security, consumers; commercial, construction and agricultural vehicles; data processing, electro mobility, industrial, lighting, medical, mobile devices, motor control and drives; motorcycles, e-bikes and e-vehicles; power supplies, smart grid, solar energy systems, and wind energy system applications. It has business presence across Asia Pacific, Europe, the Middle East, Africa, and the Americas. Infineon is headquartered in Neubiberg, Bayern, Germany.

### Infineon Technologies AG Key Recent Developments

Sep 14,2020: Elliptic Labs and Infineon partner together to deliver new capabilities for IoT, consumer electronics, and automotive markets

Jul 08,2020: Europe's most powerful 400 kW DC charger: CoolSiC for ultra-fast pit

stops

Apr 07,2020: Infineon Announces Final Regulatory Approval for Acquisition of Cypress Semiconductor Corporation

Jan 21,2020: SMA and Infineon reduce system costs for inverters

Key benefits of buying this profile include:

You get detailed information about the company and its operations to identify potential customers and suppliers.

The profile analyzes the company's business structure, operations, major products and services, prospects, locations and subsidiaries, key executives and their biographies and key competitors.

Understand and respond to your competitors' business structure and strategies, and capitalize on their weaknesses. Stay up to date on the major developments affecting the company.

The company's core strengths and weaknesses and areas of development or decline are analyzed and presented in the profile objectively. Recent developments in the company covered in the profile help you track important events.

Equip yourself with information that enables you to sharpen your strategies and transform your operations profitably.

Opportunities that the company can explore and exploit are sized up and its growth potential assessed in the profile. Competitive and/or technological threats are highlighted.

Scout for potential investments and acquisition targets, with detailed insight into the companies' strategic, financial and operational performance.

Financial ratio presented for major public companies in the profile include the revenue trends, profitability, growth, margins and returns, liquidity and leverage, financial position and efficiency ratios.

Gain key insights into the company for academic or business research.

Key elements such as SWOT analysis, corporate strategy and financial ratios and charts are incorporated in the profile to assist your academic or business research needs.
