Highlights

Integracion Energetica Argentina SA (IEASA), formerly Energia Argentina S.A., is a state owned energy company that constructs and operates natural gas pipelines. It stores, transports, distributes, markets and industrializes the hydrocarbons and their derivatives. IEASA conducts design, construction, commissioning, operation, development and maintenance of high-power eolic plants. The company also carries out generation, transportation, distribution and sale of electrical energy from both renewable and non-renewable sources. It also develops renewable energy generation and non-contaminating fuel projects, including eolic, biomass, hydraulic generation, solar, biofuel and other renewable sources. IEASA is headquartered in Buenos Aires, Argentina.
