Abstracts

SUMMARY

Strategic Defence Intelligence's 'Israel Military Industries Ltd.: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, mergers and acquisitions, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Israel Military Industries Ltd.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Israel Military Industries Ltd. (IMI) develops, manufactures, integrates and supports naval, land and air combat systems. Its solutions portfolio comprises rockets and guided missiles, heavy aerial weapons, tank, artillery and infantry ammunition. It offers advanced guided mortar and artillery rounds, less-than-lethal and small caliber ammunition. IMI also offers integrated weapon systems, including armored vehicles and

rockets and defensive suites for aircraft. IMI offers anti-terror doctrine, training and integrated logistics capabilities for the battle against global terror. The company also develops expertise in upgrading of tanks and other armored fighting vehicles, production and modernization of artillery systems, up-armor light vehicles, new weapon systems for the infantry unit and development of combat engineering equipment. Apart from Israel, the company operates business offices in the US, Thailand and India. The company principally serves Israel Defense Forces (IDF), US Military, Air Force, Army and Navy and other NATO nations. IMI is headquartered in Hasharon, Israel.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Israel Military Industries Ltd.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Israel Military Industries Ltd. (IMI) develops, manufactures, integrates and supports

naval, land and air combat systems. Its solutions portfolio comprises rockets and guided missiles, heavy aerial weapons, tank, artillery and infantry ammunition. It offers advanced guided mortar and artillery rounds, less-than-lethal and small caliber ammunition.
