Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Japan Oil, Gas and Metals National Corp (JOGMEC) is a Japanese government owned organization. The corporation provides financial assistance, technology development and technical support to oil and natural gas and metal companies in Japan. It manages the stockpiling of oil, liquefied petroleum gas (LPG) and rare metals, including the construction of national LPG stockpiling bases. JOGMEC gathers, analyzes, and supplies data on upstream oil and natural gas operations. It offers geological and geophysical surveys to assist Japanese oil companies in their acquisition of oil and natural gas exploration and development rights. The corporation also develops mine pollution prevention measures including mine waste water treatment. JOGMEC is headquartered in Tokyo, Japan.
