Abstracts

SUMMARY

SDI's 'Lancer Systems L.P.: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Lancer Systems L.P.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. SDI strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Lancer Systems L.P. (Lancer Systems) is a manufacturer of lightweight and harsh environment engineering solutions for defense, military equipment and other market applications. It offers engineered solutions for equipment upgrades and new designs of sensor systems, unmanned vehicles, small arms, C4I systems and combat vehicles. The company designs and manufactures elastomers, plastics, composites, optical connectivity and metals, supply assembly expertise, hydraulic sealing solutions and non-

metallic bearings apart from structural plastics and composites. Its products find applications in artillery and large gun recoil cylinders, artillery and large gun recuperators or replenisher, shock absorbers, door bushings, hydropneumatic suspension and hydraulic systems, among others. Lancer Systems is headquartered in Quakertown, Pennsylvania, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Lancer Systems L.P.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS
