Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

## **KEY HIGHLIGHTS**

Malaysia Smelting Corporation Berhad (MSC) is a subsidiary of The Straits Trading Company Limited (STC), an integrated producer and supplier of tin metal and tin based products. MSC produces, delivers and sells various grades of refined tin metal and by-products. The company specializes in tin mining, geological and exploratory works, downstream manufacturing and marketing, and smelting and refining of tin ores into high purity tin metal. The company owns and operates a smelting facility, in Butterworth, which converts primary, secondary and complex tin bearing ores into high purity tin metal using reverberatory furnace technology to suit the industrial applications. The company has its presence in Malaysia, Singapore and Indonesia. MSC is headquartered in Kuala Lumpur, Malaysia.

## Contents
