Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Manitoba Hydro-Electric Board (Manitoba Hydro), a Crown Corporation, is an integrated electricity and natural gas distribution utility in Canada. It produces electricity using the hydro, thermal and isolated capabilities; and also purchases electricity from external Canadian and US suppliers, and independently owned St. Leon and St. Joseph wind farms and on transmission charges. The company also trades electricity within wholesale markets in the Midwestern US and Canada. Manitoba Hydro procures natural gas from Alberta by a transmission pipeline owned by TransCanada Pipelines Ltd. It serves residential, commercial and industrial customers in the province. Manitoba Hydro is headquartered in Winnipeg, Manitoba, Canada.
