Abstracts

SUMMARY

SDI's 'Marshall Aerospace and Defence Group: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Marshall Aerospace and Defence Group'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. SDI strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Marshall Aerospace and Defence Group (Marshall ADG) is an aerospace and defence company. The company designs, develops, manufactures, sells and supports aerospace components and specialist vehicles for defense and commercial applications. It provides special mission aircraft, aerostructures, advanced composites, shelters and deployable systems and vehicle systems. Marshall ADG also provides aircraft modifications and upgrades, engineering services, MRO services, integrated

operational support services, logistics support and aviation services. The company caters its products and services for Boeing, Airbus, BAE Systems, Bombardier, Lockheed Martin, Embraer, MRO organizations, civil and military aerospace, defense, security, non-government, commercial markets and air forces globally. Marshall ADG is a subsidiary of Marshall of Cambridge (Holdings) Limited, and is headquartered in Cambridge, the UK.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Marshall Aerospace and Defence Group'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
