Highlights

Mayo Clinic (Mayo) is a not-for-profit medical practice and medical research organization. It provides comprehensive medical facilities and programs related to the patient care services, research and medical education. It offers specialized medical care with medical departments and centers in most of the key disease categories and health disorders. It conducts active human research studies and new human research studies approved by institutional review at its facilities. The organization also operates several colleges of medicine which offer various residency and fellowship programs. Its other key facilities include Mayo Arizona, Mayo Minnesota, and Mayo Clinic Health System, a network of clinics and hospitals in several states. Mayo is headquartered in Jacksonville, Florida, the US.
