Highlights

Metaldyne, LLC (Metaldyne), a wholly owned subsidiary of Metaldyne Performance Group Inc., is a global manufacturer of highly engineered metal-based components. It designs, manufactures and supplies metal-formed components and assemblies. Metaldyne's product portfolio include powder metal connecting rods, dampers, balance shaft systems, valve bodies, end cover assemblies, clutch modules, differential gears and assemblies, sliding and splined sleeves, suspension ride control components, suspension components and pistons and housings among others. The company also provides design-to-launch solutions that reduce cost, weight, cycle time, and complexity besides improving the vehicle performance. Its products find applications in automotive and light truck markets. Metaldyne operates facilities in countries across the Americas, Europe, and Asia. Metaldyne is headquartered in Plymouth, the US.
