Highlights

Meyer Burger Technology AG (Meyer Burger) is a technology company that specializes in systems and processes based on semiconductor technologies. The company provides technology, systems, machinery and processes for cutting and handling crystalline and other high-grade materials. It supplies various products like ultra-thin wafers made from silicon, sapphire or other crystals for the manufacture of solar modules and switching circuits. It also offers service parts, overhaul service management, installation, commissioning, training and after-sale services. The company provides integrated systems, production equipment and solution packages to customers from the photovoltaics, optoelectronics and semiconductor industries, batteries, rail and transport, and pharmaceuticals industries. The company and its subsidiaries operate in Europe, Asia and North America. Meyer Burger is headquartered in Bern, Switzerland.
