SUMMARY

Strategic Defence Intelligence's 'Navistar Defense, LLC: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, mergers and acquisitions, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Navistar Defense, LLC'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Navistar Defense, LLC (Navistar Defense) is a defense vehicle manufacturer and diesel engines. The company designs and manufactures military trucks, engines and related parts. Its products include cargo/logistical, combat/patrol, troop transport, homeland security, recovery, medical, tanker (fuel/water) and heavy equipment transport. Its product portfolio also includes special operations vehicles with air-assist doors,

automatic fire suppression systems, central tire inflation systems, four-wheel steering, and independent suspension; and engines. The company provides basic vehicle maintenance, preventative checks and services, battle damage assessment and repairs, component overhauls, advanced systems diagnostics, operator new equipment training, and field level maintenance. It also offers spare parts through parts suppliers and its own distribution network. The company caters to the defense market across Europe, the Middle East and North America. The company operates as an affiliate of Navistar International Corporation. Navistar Defense is headquartered in Illinois, US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Navistar Defense, LLC'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
