Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Nuclear Decommissioning Authority (NDA) is a non-departmental public body that carries out environmental restoration program in Europe. It undertakes the decommissioning and demolishing of all buildings, besides the treatment and disposal of related radioactive and conventional waste. These nuclear sites and facilities are operated by the United Kingdom Atomic Energy Authority and British Nuclear Fuels plc. NDA ensures the safe management of radioactive and non-radioactive waste materials. It is sponsored by Department of Energy and Climate Change. Through contracts, each of the NDA's sites is operated by one of six Site Licence Companies. It owns sites in England, Wales and Scotland. NDA is headquartered in Cumbria, England, the UK.
