Highlights

NV Nederlandse Gasunie (Gasunie) is a natural gas infrastructure and transport company that provides energy infrastructure services. The company provides regulated transport services through the gas transport network in Germany and the Netherlands; and other infrastructure services. It manages and develops gas infrastructure and gas trading platforms including gas transport networks, gas storage, international transit pipelines, LNG infrastructure and virtual gas trading platforms. Through holding interests in various trading parties, it also trades natural gas across Europe. It also offers management and maintenance of underground infrastructural systems, construction and consultancy services. Gasunie is headquartered in Groningen, the Netherlands.
