Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

NV Nuon Energy (Nuon Energy), a subsidiary of Vattenfall AB, is an energy utility that generates and supplies electricity, gas, cold and heat. The company generates electricity from gas, coal, hydro, solar, and wind sources. It provides inter-regional access to energy trading markets in Scandinavia and mainland Europe, including Central and Eastern Europe. Nuon Energy also offers energy production and process support products such as steam, compressed air, cooling systems, and water and gas; and maintains land, infrastructure, utilities and waste water treatment facilities in industrial parks. The company operates natural gas caverns in Epe, Germany. Nuon Energy is headquartered in Amsterdam, the Netherlands.
