Highlights

NZ Windfarms Limited (NZ Windfarms) is an independent renewable energy generation company that carries out the development and operation of wind power generation assets and conducts the generation and sale of electricity. The company feeds the electricity it generates into the national grid through a transmission line. Its other services include identification, development, operation, wind resource surveying and assessment and ownership of wind farms. The Te Rere Hau Wind Farm is the company's flagship project, established on North Range Road in the Tararua Ranges near Palmerston North that obtained consent to increase the number of turbines it operates in the future. NZ Windfarms is headquartered in Palmerston North, New Zealand.
