### Highlights

Octapharma AG (Octapharma) is a human protein manufacturer that focuses on developing and producing human proteins from human plasma and cell lines. The company treats patients worldwide with products across haematology (coagulation disorders), immunotherapy (immune disorders) and critical care therapeutic areas. It sources majority of plasma from company-owned donation centers. Octapharma owns plasma donation centers in the USA and in Germany, and owns six state-of-the-art production facilities in Austria, Germany, France, Mexico and Sweden. The company's production plants carry out plasma fractionation and purification, pharmaceutical production, research and development, product labelling, packaging, storage and distribution. Octapharma is headquartered in Lachen, Switzerland.
