Abstracts

Summary

Strategic Defence Intelligence's 'OHB SE : Aerospace and Defense - Company Profile, SWOT and Financial Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, financial analysis, recent developments, key employees, company locations and subsidiaries as well as competitive benchmarking data.

Key Findings

This report is a crucial resource for industry executives and anyone looking to access key information about 'OHB SE'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

Synopsis

OHB SE (OHB), formerly known as OHB Technology AG, is a provider of space technology and telematics systems and solutions to the European aerospace and aeronautics industry. The company develops and manufactures low earth orbit and geostationary orbit satellites for navigation, scientific, communication and earth observation applications. It also manufactures products for aviation, space travel and

electronic data transmission, apart from providing global logistics support through transport management and shipment tracking. The company serves European and international companies and government agencies in the energy, oil and gas, defense, nuclear, aerospace and telecommunications sectors. The company, along with its subsidiaries has operations in Germany, France, French Guiana, the UK, Chile and the US. OHB is headquartered in Bremen, Germany.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

Reasons To Buy

Key Findings Quickly enhance your understanding of 'OHB SE'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
