Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Pacific Gas and Electric Co (PGEC), a subsidiary of PG&E Corporation, is an investor-owned energy utility. It generates electricity; and provides electric transmission and distribution services and natural gas transportation services. The company owns and operates power generation assets; and sources energy from qualifying facilities, and other third-party purchase agreements. PGEC provides natural gas transportation services to core customers including small commercial and residential customers, and to non-core customers: industrial, large commercial and natural gas-fired electric generation facilities. It procures natural gas from the basins in western North America, Rocky Mountains, and southwestern US. PGEC is headquartered in San Francisco, California, the US.

Pacific Gas and Electric Co Key Recent Developments

Nov 25,2019: Topaz Solar Farms receives November payment from PG&E

Nov 21,2019: Essentially all customers restored public safety power shutoff : PG&E

Nov 20,2019: PG&E moving forward with shutting off power for safety, impacting about 150,000 customers in portions of 18 counties

Nov 18,2019: Customers Notified that High Winds and Dry Conditions on Wednesday May Prompt PG&E to Call a Public Safety Power Shutoff
