Highlights

Petrofac Limited (Petrofac) is an oilfield services company that provides integrated services to production and processing industries. It designs and builds oil and gas facilities; operates, maintains and manages facilities on behalf of its customers and trains personnel. It also develops and co-invests in upstream and infrastructure projects. Petrofac provides engineering services, including conceptual and feasibility studies and front-end engineering and design (FEED) to customers across the oil and gas asset life cycle, on either a stand-alone or integrated basis. The company operates through a network of operational centers, offices and training facilities worldwide. Its clients include national, international and integrated oil companies. Petrofac is headquartered in London, the UK.
