SYNOPSIS

Timetric's 'PGT Innovations, Inc. (PGTI): Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, financial analysis, mergers & acquisitions, recent developments, key employees, company locations and subsidiaries, employee biographies as well as competitive benchmarking data.

SUMMARY

This report is a crucial resource for industry executives and anyone looking to access key information about "PGT Innovations, Inc."

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Timetric strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SCOPE

Examines and identifies key information and issues about 'PGT Innovations, Inc.' for business intelligence requirements.

Studies and presents the company's strengths, weaknesses, opportunities (growth potential) and threats (competition). Strategic and operational business

information is objectively reported.

Provides data on company financial performance and competitive benchmarking.

The profile also contains information on business operations, company history, major products and services, key employees, and locations and subsidiaries.

REASONS TO BUY

Quickly enhance your understanding of 'PGT Innovations, Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

PGT Innovations, Inc. (PGTI), formerly PGT, Inc., is a building products manufacturing company. The company manufactures and supplies residential impact-resistant windows and doors. It offers impact-resistant products such as heavy-duty aluminum and vinyl frames with laminated glass to provide protection from hurricane-force winds and wind-borne debris. It also produces impact-resistant windows and doors for medium- and high-rise buildings. PGTI offers products under the brands such as WinGuard, Energy Vue, Eze-Breeze, CGI and WinDoor. PGTI mainly serves window distributors, building supply distributors, window replacement dealers and enclosure contractors. The company operates in the US, Canada and the Caribbean Islands. PGTI is headquartered in North Venice, Florida, the US.

Contents

1 PGT INNOVATIONS, INC. - BUSINESS ANALYSIS
