Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Protonex Technology Corporation (Protonex) is a fuel cell company, which carries out research, development and production of a wide range of power solutions. It principally offers advanced fuel cell power solutions for portable, remote and mobile applications. The company produces these products based on proton exchange membrane (PEM), fuel reforming and solid oxide fuel cell (SOFC) technologies. Protonex's products can be operated using a wide range of fuels such as methanol fuel, hydrogen, hydrocarbon, propane, chemical hydride and renewable fuels. The company delivers its high-performance, low-cost fuel cell products to military, commercial and consumer customers as well as for OEM customers. It is a wholly owned subsidiary of Ballard Power Systems. Protonex is headquartered in Southborough, Massachusetts, the US.
