Highlights

Public Service Enterprise Group Inc (PSEG) is a diversified energy holding company that generates, transmits and distributes electricity, and gas through its subsidiaries. It supplies electricity from its nuclear, fossil and renewable energy assets as part of its wholesale energy activities. The company sells electricity, natural gas, emission credits, and other energy related products used for optimization of energy grid operations under contracts or on the spot market. It also implements demand response and energy efficiency programs, offers appliance and repair services to customers in its service territory, and invests in solar generation. PSEG serves residential, commercial and industrial customers. The company mainly operates in the northeastern and mid-Atlantic region of the US. PSEG is headquartered in Newark, New Jersey, the US.
