Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Salt River Project Agricultural Improvement and Power District (The District), a political subdivision of Arizona, is a community-based not-for-profit integrated power utility. It generates, purchases, transmits and distributes electricity in the region. The company produces energy using coal, nuclear, natural gas, hydro, renewable, and energy efficiency programs. Under the contracts with the Salt River Valley Water Users' Association, the District operates a federal reclamation project, the Salt River Project. It serves residential, commercial, industrial, and agriculture customers in parts of Maricopa, Gila and Pinal counties. The District is headquartered in Tempe, Arizona, the US.
