Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Seair Inc, doing business as Dover Water Solutions, is a clean technology company that carries out research and development, production and sale of gas diffusion technologies. It focuses on the commercializing advanced waste water and industrial fluid treatment solutions. The company offers high performance proprietary technology that diffuses gases into liquids based on patented micro-bubble technology in a passive treatment system. It primarily diffuses oxygen, ozone and carbon dioxide gases. Its systems provide effective treatment by eliminating fouling, which leads to low maintenance and operating costs. These systems are widely applicable in diverse industries including oil and gas, water and wastewater treatment, paper and pulp, irrigation, mining, aquaculture and horticulture. Seair is headquartered in Calgary, Alberta, Canada.
