Highlights

Secure Energy Services Inc (Secure Energy) is an energy services company. It provides specialized services to upstream oil and natural gas companies operating in North Dakota and the Western Canadian Sedimentary Basin (WCSB) and in the US. The company assists these companies with the handling, processing and sale of crude oil, drilling fluids, recycling services and various complementary services associated with development and production of oil and natural gas. The fluids and solids solutions are provided through an integrated service and product offering that includes midstream services, environmental services, systems and products for drilling, production and completion fluids, and other specialized services and products. Secure Energy's services include crude oil emulsion treatment, terminalling, storage and marketing of crude oil, oilfield solid processing, oilfield waste processing, tank washing, landfill disposal, disposal of produced, and waste water, drilling services and onsite services, among others. Secure Energy is headquartered in Calgary, Alberta, Canada.
