## Highlights

Select Energy Services Inc (SES) is a provider of water management solutions to the oil and gas industry in North America. It provides water-related services including monitoring, hauling, treatment, water recycling and disposal that support oil and gas well completion and production activities. The company also develops, manufactures, and supplies chemical solutions that are used in oil and gas well completions and production operations. SES serves integrated oil companies, independent oil and natural gas producers, and pressure pumping service companies. SES operates in major shale plays in North America, including Permian, Bakken, Eagle Ford, Haynesville, Marcellus, Utica, Rockies, and Mid-Continent. SES is headquartered in Houston, Texas, the US.
