Highlights

Senvion SA (Senvion) is a renewable energy company that develops, produces and distributes onshore and offshore wind turbines and towers. It also offers project specific solutions such as turnkey, foundation construction, transport and installation, and service and maintenance solutions. The company monitors individual turbine performance, creates reports, and provides remote access to check overall output; and offers regular maintenance and repair services. Senvion also collects and analyzes monitoring and maintenance service data to improve its current technology and develop new products. Senvion is headquartered in Hamburg, Germany.

Senvion SA Key Recent Developments

Jul 16,2020: Siemens Gamesa and Trianel Windpark Borkum II celebrate new milestone with offshore service contract for Senvion wind turbines
