Highlights

Sequenom Inc (Sequenom) is a life sciences company which offers genetic testing that guides reproductive health matters. The company operates CAP (College of American Pathologists) accredited and CLIA (Clinical Laboratory Improvements Amendment) certified molecular diagnostics clinical laboratory (MDCL) that specializes in the field of prenatal health. Sequenom offers wide collection of carrier status, noninvasive prenatal testing, and diagnostic test options ranging from baby's whole genome assessment to specific conditions identification which allows parents and physicians to select the right test for each pregnancy. The molecular genetic laboratory-developed tests offer early patient management information for geneticists, maternal fetal medicine specialists, and obstetricians as well as patients. Its MDCLs are located at San Diego, California; Raleigh-Durham, North Carolina; and Grand Rapids, Michigan. Sequenom is headquartered in San Diego, California, the US.
