Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Sharjah Electricity & Water Authority (SEWA) is a government owned utility. It generates, transmits and distributes electricity; and distributes water and natural gas in Sharjah Emirate. The authority produces power using diesel, gas and steam; sources water from underground and desalination sources, and desalinate and treat that water; and provides piped natural gas services and equipment to convert cookers and ovens fired by PLG cylinders to the natural gas system. SEWA also provides e-services related to its offerings. It serves customers in residential, industrial and commercial sectors, and public utilities such as hospitals, government buildings, mosques and lighting of public parks and streets. SEWA is headquartered in Sharjah, the UAE.

Sharjah Electricity & Water Authority Key Recent Developments

Apr 14,2021: Schneider Electric to support the development of Sharjah's first waste-to-energy plant

Mar 16,2021: Gas Turbines with record-setting efficiency, now in Sharjah: UAE's first GE HA turbines installed at the 1.8 GW Hamriyah independent power plant

Aug 28,2020: SEWA completes preventive maintenance in 183 electricity stations
