SUMMARY

Strategic Defence Intelligence's 'Sioux Manufacturing Corporation: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Sioux Manufacturing Corporation'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Sioux Manufacturing Corporation (Sioux) provides customized composite armor solutions for ballistic protection applications. The company's composite armors include the spall liners that are used as internal ballistic liner in military vehicles. It provides ablative tile panels, woven fabrics, and other miscellaneous materials such as overages. It offers body armor for the US armed forces, bonded-armor assemblies for the US military aircraft, boat armor for the US surface vessels and ballistic floors for the

US government vehicles. The company offers its products under the brands Kevlar, S-2 Glass, Spectra Shield, Twaron and E-Glass. It provides technical and administration support for its products. Sioux is headquartered in Fort Totten, North Dakota, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Sioux Manufacturing Corporation'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
