Highlights

Societe Tunisienne de l'Electricite et du Gaz (STEG), is a non-administrative Tunisian public company that produces liquefied petroleum gas (LPG) and electricity. It also transports and distributes electricity and natural gas. It generates electricity from various sources including steam, gas, cycles combined, central diesel, hydraulic, and wind sources. The company transmits electricity through a network of substations and HV lines; and distributes it through medium and low voltage lines. The company also carries out the development and land distribution of natural gas. STEG serves various customers such as domestic, industrial, agricultural and administrative customers. STEG is headquartered in Tunis, Tunisia.
