Abstracts

SUMMARY

SDI's 'SolaCom Technologies, Inc.: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'SolaCom Technologies, Inc.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. SDI strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

SolaCom Technologies, Inc. (Solacom) is a provider of communication systems for voice, video and data applications. The company provides voice communications and control system (VCCS) including air-ground/ground-ground voice switches, touch screen operator consoles and integrated weather monitoring consoles. It also offers sensors and antennas, record and playback software, and system configuration tools. In addition, it develops intelligent solutions for interoperability and integration of multiple

types of land lines, radio, WiFi, WiMax, satellite, VoIP, video, sensors, Internet protocol (IP) and data. Its products are used in air traffic control, homeland security, public networks, military C4I, marine communication and emergency response applications. Solacom is headquartered in Gatineau, Quebec, Canada.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'SolaCom Technologies, Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
