Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Somero Enterprises Inc. (Somero) manufactures and supplies construction related equipment. It designs, develops and supplies equipment for leveling and spreading of concrete and concrete slab replacements at construction sites. The company's portfolio of products include laser screed, 3-d profiler system, mini and power rake, spare parts, floor levelness system, and spreader under product category. It also provides services such as designing, assembling, distribution and refurbishment. In addition, it offers spare parts, accessories and training to its customers. Its machines are used on horizontal surfaces to develop flat concrete floors in warehouses, assembly plants, parking structures, retail centers and commercial construction sites. Somero operates an assembly unit in Michigan, the US. It also operates sales offices in the UK, China, and India. The company offers its products to concrete contractors for non-residential construction projects in 90 countries across North America, Latin America, Europe, the Middle East, Africa and Asia. Somero is headquartered in Fort Myers, Florida, the US.
