### Highlights

Songas Limited (Songas), a subsidiary of Globeleq Generation Limited, is an energy company that generates and supplies electricity; and processes and supplies gas. The company generates power from its gas-fired Ubungu power plant. It supplies the generated electricity to the national electricity grid for distribution to end users by Tanzania Electric Supply Company Limited (TANESCO). Songas processes and transports gas from the Songo Songo gas field at its facility. The gas is transported to Dar es Salaam where it is used in Songas Ubungu power plant. It also supplies gas for power generation to others industrial consumers. Songas is headquartered in Dar es Salaam, Tanzania.
