Highlights

Southwest Gas Corp (Southwest) is a natural gas service company. It procures, distributes, and transports natural gas. The company sources natural gas from producing regions in Colorado and New Mexico (San Juan basin), Texas (Permian basin), and Rocky Mountain areas. Southwest distributes, and transports that to customers in portions of Arizona, Nevada, and California. Its service areas in Arizona include the central and southern areas of the state including Phoenix, Yuma, Tucson, and surrounding communities; in northern Nevada include Carson City, Yerington, Lovelock, Fallon, Winnemucca, and Elko; in southern Nevada include the Las Vegas valley and Laughlin; in southern California include Barstow, Big Bear, Needles, and Victorville; and service areas in northern California include the Lake Tahoe area and Truckee. It also provides installation, replacement, repair, and maintenance of energy distribution systems; and developing industrial construction solutions for energy services utilities. The company serves construction services in the US and Canada. Southwest is headquartered in Las Vegas, Nevada, the US.
