Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Southwestern Electric Power Co (SWEPCo), a subsidiary of American Electric Power Company Inc, is a vertically integrated energy utility which generates, procures, transmits and distributes, and retails electricity. The company generates electricity from natural gas, coal, and lignite sources and procures electricity from other utilities and its sister companies. SWEPCo owns and operates lignite coal mining operations through its subsidiary Dolet Hills Lignite Company LLC. The company retails electricity to residential, commercial, industrial, and others. The company provides wholesale trades to other electric utility companies, municipalities, rural electric cooperatives, and other market participants. It serves natural gas and oil production, petroleum refining, pulp and paper manufacturing, chemicals, food processing, metal refining, military installations, colleges, and universities across northeastern and panhandle of Texas, northwestern Louisiana and western Arkansas. SWEPCo is headquartered in Columbus, Ohio, the US.
