Strategic Market Intelligence: Reinsurance in Japan - Key trends and Opportunities to 2022

SUMMARY

GlobalData's 'Strategic Market Intelligence: Reinsurance in Japan - Key trends and Opportunities to 2022', report provides a detailed outlook by product category for the Japanese reinsurance segment. It provides values for key performance indicators such as premium accepted, premium ceded and cession rates, during the review period (2013-2017) and forecast period (2017-2022).

The report also analyzes distribution channels operating in the segment, gives a comprehensive overview of the Japanese economy and demographics, and provides detailed information on the competitive landscape in the country.

The report brings together GlobalData's research, modeling and analysis expertise, giving reinsurers access to information on segment dynamics and competitive advantages, and profiles of reinsurers operating in the country. The report also includes details of insurance regulations and recent changes in the regulatory structure.
