SYNOPSIS

Timetric's 'Sun Hydraulics Corporation (SNHY): Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, key competitors, financial analysis, mergers & acquisitions, recent developments, key employees, company locations and subsidiaries as well as employee biographies.

SUMMARY

This report is a crucial resource for industry executives and anyone looking to access key information about 'Sun Hydraulics Corporation'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Timetric strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SCOPE

Examines and identifies key information and issues about 'Sun Hydraulics Corporation' for business intelligence requirements.

Studies and presents the company's strengths, weaknesses, opportunities (growth potential) and threats (competition). Strategic and operational business

information is objectively reported.

The profile also contains information on business operations, company history, major products and services, key employees, and locations and subsidiaries.

REASONS TO BUY

Quickly enhance your understanding of 'Sun Hydraulics Corporation'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Sun Hydraulics Corporation (Sun Hydraulics) is a leader in industrial technology which develops and manufactures solutions for both the hydraulics and electronics markets. It is a leading designer and manufacturer of high performance screw-in hydraulic cartridge valves and manifolds, which control speed, force and motion as integral components in fluid power systems. The company provides innovative electronic control, display and instrumentation solutions for both recreational and off-highway vehicles, stationary and power generation equipment. It also provides various solutions such as technical support, accumulator discharge, cushion lock priority flow control, solenoid operated cross relief and flow control. Sun Hydraulics sells its products through independent distributors, to diverse markets of mobile and industrial equipment and machinery manufacturers. The company has its operations in the US, France, the UK, South Korea, Germany, China and India. Sun Hydraulics is headquartered in Sarasota, Florida, the US.

Contents

1 SUN HYDRAULICS CORPORATION - BUSINESS ANALYSIS

- 1.1 Sun Hydraulics Corporation - Company Overview
- 1.2 Sun Hydraulics Corporation - Business Description
- 1.3 Sun Hydraulics Corporation - Major Products and Services

2 SUN HYDRAULICS CORPORATION - ANALYSIS OF KEY PERFORMANCE INDICATORS

- 2.1 Sun Hydraulics Corporation - Five Year Snapshot: Overview of Financial and Operational Performance Indicators
