Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

The Techint Group (Techint) is a diversified group operating in engineering and construction, steel, oil and gas, industrial plants, and healthcare businesses. The company operates through six companies: Tenaris, Ternium, Techint Engineering and Construction (Techint E&C), Tenova, Tecpetrol and Humanitas. Tenaris supplies steel tubes and related services; and Ternium is a supplier of flat and long steel products. Techint E&C is involved in providing design and construction services for oil and gas facilities, petrochemical plants, power plants and many others. Tenova provides leading technologies and capital goods for metal and mining industries; and Tecpetrol carries out the oil and gas exploration activities. Humanitas provides health services in Italy. The company, along with its subsidiaries, operates in North America, Western Europe, the Middle East and Asia-Oceania regions. Techint is headquartered in Milan, Italy.
