Abstracts

Summary

Strategic Defence Intelligence's 'Telos Corporation: Aerospace and Defense - Company Profile, SWOT and Financial Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, financial analysis, mergers and acquisitions, recent developments, key employees, company locations and subsidiaries as well as competitive benchmarking data.

Key Findings

This report is a crucial resource for industry executives and anyone looking to access key information about 'Telos Corporation'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

Synopsis

Telos Corporation (Telos) is a provider of technology solutions and services. The company designs and offers technologies to deliver solutions, which help secure the assets of enterprises worldwide. It offers a wide variety of wired and wireless network solutions for the US Department of Defense (DoD) and other federal agencies. It also provides software products and consulting services to automate, streamline, and

enforce IT security and risk management processes enterprise-wide. The company offers messaging solutions supporting war fighters across the world; and identity management solutions to provide end-to-end logical and physical security from the gate to the network. Its major customers include intelligence, military, and civilian agencies of the federal government and NATO allies. Telos is headquartered in Ashburn, Virginia, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

Reasons To Buy

Quickly enhance your understanding of 'Telos Corporation'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
